

LANCASTER COUNTY ELECTORAL BOARD MEETING

September 20, 2022

The Electoral Board (EB) met at the office of the General Registrar (GR) on September 20, 2022.

In attendance were Vice-Chair Carol Biscontini (VCCB), Secretary Jim Symons (JS), Director of Election and General Registrar Susan Jett and Asst. Kelsey Zentmyer. (Chairman Barbara Breeden was called on telephone, but could not join the meeting.)

11:45 the meeting was called to order

Discussion on proper placement of and procedure to control, B.O.D. printer. And the need to be in accordance with the law stating "A sworn" person is always present. "

Areas within the office were examined for placement of printer and we held discussion on how voter would perceive ballot production. The number of ballots styles (10) makes the production at time of voting, more efficient and there are no surplus ballots produced.

The lobby window needs to be modified, where voter inserts marked ballot. Will remove plexi-glass to make it easier for voters to cast their ballot on the new machine that is lower in height for ADA compliance.

Motion to adjourn was made at 12:15 PM and seconded.

Regards,

Jim Symons

Secretary, LCEB
