

APPENDIX C

GENERAL TERMS AND CONDITIONS

The procurement documents, including Appendix A “General Terms and Conditions,” to the Invitation for Bid, the Request for Proposal, or other Solicitation, and the response of the bidder (**the “Contractor”**) will be incorporated into a resulting contract as fully and completely as if set forth in such contract in its entirety. The following are the general conditions that will apply to all procurements done by the Board of Supervisors of the County of Lancaster (**the “County”**).

1. General Provisions

Nothing in any resulting contract shall be construed as authority for either party to make commitments that will bind the other party beyond the scope of service contained herein. This contract is subject to appropriations by the County.

2. Laws of the Commonwealth

- A. Any purchase order or contract resulting from this solicitation shall be governed in all respects whether as to validity, construction, performance, or otherwise by the laws of the Commonwealth of Virginia. The Contractor providing goods or services to the County under this contract assures the County that it is:
1. Conforming to the provisions of the Civil Rights Act of 1964, as amended, the Virginia Fair Employment Contracting Act of 1975, as amended, and the Virginia Human Rights Act, as amended, where applicable;
 2. Not employing illegal alien workers or otherwise violating the provisions of the Immigration Reform and Control Act of 1986;
 3. Complying with federal, state and local laws and regulations applicable to the performance of the services procured; and
 4. Submitting the bid or proposal in full compliance with the Virginia Conflict of Interest Act.
- B. In every contract of over \$10,000, the Contractor agrees during the performance of this contract that:
1. The Contractor (1) will not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, or national

origin, except where religion, sex or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor, (2) will post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause, and (3) will state that the Contractor is an equal opportunity employer in all solicitations or advertisements for employees placed by or on behalf of the Contractor under this contract. All notices, advertisements, and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section;

2. The Contractor will include the provisions of the foregoing subparagraph 2.(B)(1) in every subcontract or purchase order under this Contract of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor; and

C. In every contract of over \$10,000, the Contractor agrees during the performance of this contract that:

The Contractor shall A) provide a drug-free workplace for its employees; B) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in its workplace and specify the actions which will be taken against any employee for a violation; C) state in all of its solicitations or advertisements for employees that it maintains a drug-free workplace; and D) include the provisions of this sub-paragraph in every subcontract or purchase order of over \$10,000, so that said provisions shall be binding upon each subcontractor or vendor.

For purposes of this sub-paragraph, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with the provisions of the Virginia Public Procurement Act, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

D. In addition to the provisions contained in sub-paragraph C. pertaining to drug-free place, Contractor shall comply with the federal Drug Free Workplace Act.

E. Pursuant to Section 2.2-4343.1 of the Code of Virginia of 1950, in all invitations to bid, requests for proposals, contracts, and purchase orders, the County does not discriminate against faith-based organizations.

"Faith-based Organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant

provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.

If Contractor is a faith-based organization, then Contractor shall give to each individual who applies for or receives goods, services, or disbursements provided pursuant to this Agreement the following notice:

NOTICE

Pursuant to Section 2.2-4343.1 of the Code of Virginia of 1950, as an applicant for or recipient of goods, services, or disbursements provided pursuant to a contract between the County and a faith-based organization, you are hereby notified as follows:

Neither the County's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the County Administrator.

3. Certifications

The Contractor certifies that:

1. The bid or offer (1) is made without prior participation, understanding, agreement, or connection with any corporation, firm or person submitting a bid/offer for the same materials, supplies, equipment, or services with respect to the allocation of the business afforded by or resulting from the acceptance of the bid or proposal, (2) is in all respects fair and without collusion or fraud, and (3) is or is intended to be competitive and free from any collusion with any person, firm or corporation;
2. The Contractor has not offered or received any kickback from any other bidder or Contractor, supplier, manufacturer, or subcontractor in connection with the bid/offer on this solicitation. A kickback is defined as an inducement for the award of a contract, subcontracts or order, in the form of any payment, loan, subscription, advance, deposit of money, services or anything, present or promised, unless consideration of substantially equal or greater value is exchanged. Further, no person shall demand or receive any payment, loan, subscription, advance, and deposit

of money, services or anything of value in return for an agreement not to compete on a public contract;

3. The Contractor is not a party to nor has he participated in nor is obligated or otherwise bound by agreement, arrangement or other understanding with any person, firm or corporation relating to the exchange of information concerning bids, prices, terms or condition upon which the contract resulting from the acceptance of his bid proposal is to be performed;
4. The Contractor understands that collusive bidding is a violation of the Virginia Governmental Frauds Act and federal Law, and can result in fines, prison sentences, and civil damage awards and agrees to abide by all conditions of this proposal; and
5. The Contractor or subcontractor has not and will not confer on any public employee having official responsibility for a procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value is exchanged.

4. Warranties

Any goods or services furnished by the Contractor under the contract shall be covered by the most favorable warranties provided by the Contractor to any customer; the rights and remedies hereby provided are in addition to any and do not limit those otherwise available to the County. The Contractor agrees that if such warranties are in any respect breached, the Contractor will pay to the County the full contract price agreed to by the County to be paid for the supplies, materials, equipment or services furnished under the bid or proposal.

5. Modifications, Additions or Changes

Modifications, additions or changes to these terms and conditions may not be made except in writing and agreed to by the County; however, no fixed priced contract may be increased by more than twenty-five (25) percent of the amount of the contract or \$50,000 whichever is greater without the approval of the County. The amount of any contract may not be increased for any purpose without adequate consideration provided to the County.

6. Hold Harmless

The Contractor agrees to indemnify, defend and hold harmless the County and its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, goods, or equipment of any kind or nature furnished by the Contractor or any services of any kind or nature provided by the Contractor, provided that such liability is not attributable to the sole negligence on the part of the County or to failure of the County to use the materials, goods, or

equipment in the manner outlined by the Contractor and descriptive literature or specifications submitted with the Contractor's bid.

7. Assignment

The contract may not be assigned, sublet, or transferred without the written consent of the County.

8. Default

In the case of default or breach by the Contractor or the failure of the Contractor to deliver the services in conformance with the specifications in the contract the County shall give written notice to the Contractor specifying the manner in which the contract has been breached. If the County gives such notice of breach and the Contractor has not corrected the breach within fifteen days of receipt of the written notice, the County shall have the right to immediately rescind, revoke or terminate the contract and in addition to any other remedies available at law to procure such services from other sources and hold the Contractor responsible for any and all excess cost occasioned thereby.

9. Audit

The Contractor hereby agrees to retain all books, records, and other documents relative to this contract for five years after final payment or after all other pending matters are closed, whichever is longer. The County and its authorized agents, state auditors, the grantor of the funds to the County, the Comptroller of Virginia or of the United States, or any of their duly authorized representatives shall have access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audits, examinations, excerpts or transcriptions.

10. Ownership of Documents

Any reports, studies, photographs, negatives, or other documents prepared by Contractor in the performance of its obligations under any resulting contract shall be remitted to the County by the Contractor upon completion, termination or cancellation of this Contract. Contractor shall not use, willingly allow or cause to have such materials used for any purpose other than performance of Contractor's obligations under this contract without the prior written consent of the County. The County shall own the intellectual property rights to all materials produced under this contract.

11. Payment and Performance Bond

For any Contract for construction, the amount of which exceeds \$100,000, the Contractor shall furnish to the County the bonds required under Sections 2.2-4336 and 2.2-4337 of the Code and shall otherwise fully comply with the requirements of such sections of the Code. The County reserves the right to require payment and/or performance bonds in the amount of the Contract for any other Contracts, whether or not required by such sections of the Code.

12. Required Payment

Pursuant to Section 2.2-4354 of the Code, the Contractor covenants and agrees to:

- a. within seven days after receipt of any amounts paid to the Contractor under the Contract, (i) pay any subcontractor for its proportionate share of the total payment received from the County attributable to the work under the Contract performed by such subcontractor, or (ii) notify the County and the subcontractor, in writing, of its intention to withhold all or a part of the subcontractor's payment and the reason therefor;
- b. provide its federal employer identification number or social security number, as applicable, before any payment is made to the Contractor under the Contract; and
- c. pay interest at the legal rate or such other rate as may be agreed to in writing by the subcontractor and Contractor on all amounts owed by the Contractor that remain unpaid after seven days following receipt by the Contractor of payment from the County for work performed by the subcontractor under the Contract, except for amounts withheld pursuant to subparagraph 12a. above.
- d. include in its contracts with any and all subcontractors the requirements of a, b, and c. above.

13. Liability Coverage

In addition to that which may be expressly stated in the procurement announcement documents prepared by the County, the Contractor shall take out and maintain during the life of the Contract such bodily injury, liability and property damage liability insurance as shall protect it and the County from claims for damages for personal injury, including death, as well as from claims for property damage, which may arise from its activities under this agreement. Such insurance must be issued by a company admitted within the Commonwealth of Virginia and with at least a Best's Key Rating of at least A:V1. The Contractor shall provide the County with a certificate of insurance showing such insurance to be in force and providing that the insurer shall give the County at least 30 days' notice prior to cancellation or other termination of such insurance.

14. No Waiver

Any failure of the County to demand rigid adherence to one or more of this Agreement's provisions in the contract, on one or more occasions, shall not be construed as a waiver nor deprive the County of the right to insist upon strict compliance with the terms of this Contract. Any waiver of a term of this Contract, in whole or in part, must be in writing and signed by the party granting the waiver to be effective.

15. Termination

The County may terminate the resulting contract for its convenience upon thirty (30) days written notice to the Contractor. The Contractor shall not be paid for any service rendered or expense incurred after receipt of such notice except such fees and expenses incurred prior to the effective date of termination that are necessary for curtailment of the Contractor's work under this contract.

16. Choice of Law

To ensure uniformity of the enforcement of this Contract, and irrespective of the fact that either of the parties now is, or may become, a resident of a different state, this Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia without regard to her principles of conflicts of law.

17. Forum Selection

The parties hereby submit to the personal jurisdiction and venue of any state or federal court located within the Commonwealth of Virginia for resolution of any and all claims, causes of action or disputes arising out of or related to this Contract and agree that service by registered mail to the addresses set forth in Paragraph 19 of this Appendix shall constitute sufficient service of process for any such action. The parties further agree that any claims, causes of action or disputes arising out of, relating to or concerning this Contract shall have jurisdiction and venue only in the Circuit Court of Lancaster County or in the U.S. District Court, Eastern District.

18. Severability

If any provision of this Contract is held to be illegal, invalid, or unenforceable, or is found to be against public policy for any reasons, such provision shall be fully severable and this Contract shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never been part of this Contract, and the remaining provisions of this Contract shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision, or by its severance from this Contract.

Any written notice of Contractor's intention to file such a claim or dispute need not detail the amount of the claim, but shall state the facts and/or issues relating to the claim in sufficient detail to identify the claim, together with its character and scope. Whether or not Contractor files such written notice, Contractor shall proceed with the work as directed. If Contractor fails to make its claim or dispute, or fails to give notice of its intention to do so as provided herein, then such claim or dispute shall be deemed forfeited.

exempt by the Contractor from payment request, whether progress or final. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

- D. The decision on contractual claims by the governing body of the County shall be final and conclusive unless the Contractor appeals within six months of the date of the final decision on the claim by instituting legal action in the appropriate circuit court.
