Tax Map ID # of parcel (s):

Contractor Information

Name:

Address

Phone Number

Contractor License #

Responsible Land Disturber #

Nature of work:

Directions to project site: (including route numbers)

Cost of Job:

Square footage disturbed:

Approximate start date: _____

Planned completion date: _____

State Stormwater Permit coverage: (see attached brochure, note: single family residences are exempt if not a part of a larger subdivision of three lots or more)

NOTICE:

All projects must be stabilized upon completion with permanent seeding that meets or exceeds Virginia State specifications for seeding, mulching, and/or planting of vegetative stock. Any projects not completed that are to be idle for more than thirty days shall be stabilized with temporary stabilization measures as required by code. Failure to meet any of these requirements or any other aspect of the Erosion and Sediment Control law will be a violation and will result in enforcement action.
