At 9:10 AM the meeting was called to order. Minutes from the January meeting were approved.

We discussed the continued issues facing the office staff. Discussion was held on the use of ozone generators to help with air quality. It was decided to proceed with a second opinion and testing since everyone is still showing symptoms during work hours. Then new test should include surface and air testing using the company from VA Beach.

The budget was reviewed and without moving expenses, it is down from last year. It was agreed that we did not need to attend the budget workshop sessions with BOS.

The LESS was discussed and our 2025 standings on compliance.

L & A testing is set for April 24th. May 2nd early voting begins if primary is held. Most likely will be a dual.
