

LANCASTER COUNTY ELECTORAL BOARD MEETING

June 18, 2025

The meeting was called to order at 11:20 am on June 18, 2025, in the Offices of the General Registrar.

Those present were: Barbara Breeden, Chair, Jeremy Taylor, Vice Chair, Susan Jett, General Registrar, and Celina Haydon, Asst General Registrar

The tapes and records for the Democrat Primary Election held yesterday were opened and examined. All were found to be in order and suitable for submission. In order to accommodate any late arriving ballots the results will be certified as Final on Monday June 23, 2025.

Per the previously approved motion by the Electoral Board the Offices of the General Registrar and Electoral Board will be permanently closed to the Public as of June 25, 2025, in order to pack and facilitate a move to replacement offices. Preparations must start soon for early voting for the next election in about 13 weeks. All those present energetically discussed many of the details of such a move. However, no progress on these plans was reported due to a lack of support, direction and decisions by the County Administration.

The Final Canvass meeting will be held at 11:00 am on June 23, 2025.

No other business was discussed or decisions made, so the meeting was adjourned at 1:30 pm

Respectfully Submitted,

Jeremy Taylor

Vice Chair
