The Electoral Board (EB) met at the office of the General Registrar June 23, 2025.

Discussed trailer for poll equipment movement at times of election. The currently unit that we use is rented to us, but is now for sale. After discussion and weighing the options, the decision was made not to purchase at this time.

Further discussion of General Registrars' Office closing on the 25th of June and preparation of contents of current office for moving.

During the meeting, it was brought to the attention of the LCEB that this meeting and final canvas of primary results was held illegally due to failure to be posted in the manner required by law. The LCEB sent the notice to the Lancaster IT for posting in a timely manner as required by law, but it was not posted by IT. The reason it was not posted is as follows: the County Administrator, without knowledge, of the LCEB, had directed IT not to post submissions from the LCEB or Registrar without his prior review and consent. The posting of this meeting, although timely submitted by the LCEB, was not approved for posting by the County Administrator and has never been posted as of this time.

Next meeting of the LCEB, was set for July 9, 2025 10:00 AM

Having no further business, the meeting adjourned at 3:42 PM

Regards,

Jim Symons, Secretary, LCEB
